

The “Chess” of LGBT Social Change

Harmonizing across these “communication pieces” = stasis; little social change
 De-stabilizing across or within these pieces = social change

What “pieces” can be moved first? Furthest? Quickest? Next?

RELIGION	
	Stories of morality and reverence and how to “be” in the world

LAW/POLITICS	
	Stories & agreement about human rights, the just use of power & organization of society

THEATER	
	Stories of how life is lived told in arts, dance, media, architectures of play

MEDICINE	
	Science & compassion for body and mind, how to care for them; what is “sick” and “healthy”

SPORTS	
	Friendly contests, physical and emotional bonding through gaming

Home/Family	
	Private safe places for the nurturance of personal identities

MARKETPLACE	
	Commercial contests, explorations in the “bazaar” that allow “us” to meet “others”

EDUCATION	
	Memories & knowledge deemed important to children and told in schools & museums
